CASARES LAGOON , MÁLAGA

CASARES LAGOON

96 m² apartment with 2 bedrooms, 2 bathrooms, a 36 m² terrace, a 76 m² solarium, a parking space, and a storage room.

Following the success of its previous 3 phases, which sold out completely, you now have the opportunity to explore Phase 4 of this spectacular residential complex located in Casares, featuring a crystal-clear lagoon for the enjoyment of residents.

This new phase offers a concept specially designed to meet your needs, optimizing space, providing unbeatable amenities, and paying meticulous attention to detail.

Each home will feature high-quality finishes, including fully equipped kitchens and double-glazed windows that provide maximum insulation and comfort.

PRICE FROM 555.000€

THE LAGOON

Direct contact with nature and pools accessible to everyone. Live in a relaxed environment, rest on the sun loungers, and enjoy the sunset from our terraces and chill-out areas with your favorite cocktail.

The little ones can participate in an all-inclusive summer camp, where they will enjoy a variety of activities.

Additionally, you will savor the best Mediterranean cuisine. Salads, rice dishes, seafood, and much more await you in our restaurant with views of the lagoon.

Thanks to the excellent climate of the Costa del Sol and the facilities and amenities offered by this residential complex, it is a paradisiacal place that provides the key to enjoying our unparalleled crystal-clear lagoon with your family.
